

Deep Preaching

Creating Sermons that Go Beyond the Superficial
by J. Kent Edwards

ABOUT THE BOOK

J. Kent Edwards recalls a story that late pastor J. Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds. The precious stones were being handled with no regard for their true worth. Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process.

Deep Preaching is his call to “rethink” preaching. Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers. He contends that sermons “need not settle comfortably on the lives of the listeners like dust on a coffee table.” He encourages preachers to join him in casting off the lines that moor their ministries to the status-quo and make every effort to steer their preaching out of the “comfortable shallows.” He urges them to preach deep sermons rather than superficial ones, moving “beyond the yawn-inspiring to the awe-inspiring, from the trite to the transforming.”

BEST-SELLING POINTS

- A respected professor of preaching and leadership encourages pastors to discover how their pulpit sermons can more powerfully change the lives of all who listen.
- Encourages preachers to do more “closet work” in sermon preparation: praying, meditating, fasting, and relying on the Holy Spirit
