

The Holman Illustrated Study Bible

ABOUT THE BIBLE

To really grasp God's word, understanding the Bible's historical, geographical, and cultural contexts is vital. After all, Scripture is not just a set of abstract ideas; God chose to reveal Himself through real people who lived at specific places and times.

Like no other resource, *The Holman Illustrated Study Bible* takes you there. Using over 1,000 color graphics, maps, photographs, reconstructions, and charts to enliven the Bible world, this special Bible edition enlightens readers to the contextual details of every major character and moment. Also, helpful introductions list the author, date, original audience, and purpose of each book; give a key text and term; show Christ in each book; and place each book in the overall story of Scripture.

BEST-SELLING POINTS

- Like no other resource, *The Holman Illustrated Study Bible* brings Bible study alive with more than 1,000 color graphics, maps, photographs, reconstructions, and charts, plus helpful introductions for each book.
- Strongly supported by ongoing awareness campaigns for the Holman CSB, among the top five best-selling translations in the United States.
- Combines the features of best-selling Holman illustrated reference products into an exciting study Bible.
- Also includes a historical section on what happened in the time between the Old and New Testaments.
